

Forensic Psychologist - Domestic Relations

Forum Ohio, LLC, has an immediate opening for a licensed psychologist to conduct domestic relations and other comprehensive clinical evaluations. The candidate must have experience in conducting domestic relations evaluations and other comprehensive, clinical psychological evaluations. Strong interpersonal, clinical, and report writing skills are essential to this position. Preference will be given to board-certified psychologists. Candidates must either have a license to practice in the State of Ohio or be license eligible. Consideration will be given to exceptional post-doctoral candidates who have completed advanced training in the area of domestic relations. Compensation for this position will be commensurate with the candidate's experience, training, and education. Flexible scheduling and paid time off will be provided as part of this position. Early career psychologists are encouraged to apply.

Forum Ohio, LLC, is a thriving, expanding private practice that specializes in the provision of clinical and forensic assessment, treatment, and consultative services. Forum Ohio, LLC, contracts with various court systems (juvenile, municipal, and common pleas) and governmental agencies (e.g., Children Services, job and family services, disability determination services) to provide expert clinical and forensic psychological services. With offices located in downtown Columbus, Forum Ohio, LLC, conducts over 2,000 comprehensive psychological evaluations per year, and is projected to increase volume by over 25 percent in the next 18 months. Forum Ohio, LLC, routinely conducts a wide variety of evaluations on juveniles and adults, including those to determine adjudicative competence, mental state at the time of the offense, capital punishment and mitigation, fitness for duty, risk of sexual reoffending, diminished capacity and guardianship, risk of violence and recidivism, disability and barriers to employability, risk of suicide and self-harm, and malingering. Forum Ohio, LLC, conducts evaluations on juveniles and adults in correctional facilities, hospitals, residential centers, and other secure settings in addition to their outpatient office locations.

Interested candidates should submit (1) a CV and (2) a cover letter that briefly addresses the candidate's experience and training. Interviews to begin immediately, and interested candidates are encouraged to respond quickly.
